BOJAN PETROVIĆ

JUDGE

KMF,EFIAP, HonFtGM
Serbia

BOJAN PETROVIC - BOKAC was born on January 1-st 1983. He, lives, works and cre-ates in Paracin. He is a member of Photo Club Paracin since 2010, while he became a member of Photo Association of Serbia in year of 2011. He obtained honor FI FSS in 2012 and AFIAP honor in 2013. He participated in about 90 exhibitions under FIAP patro-nage in 20 dierent countries, where he was awarded 44 medals and honorable mentions in 8 countries. He is on the list of 10 most successful authors in Serbia for the year 2012. Most cherished awards are: Praise for a series of photo-graphs at The National Exhibition of Art Photography in Cacak, PSA Bronze Medal at "7th Photo Salon Kumanovo 2012", Golden FSS Medal at "Life balance" in Belgrade and Bronze FIAP Medal in Czech Republic at "14th International Biennial Zena Strakonice". He had one independent exhibition in Paracin in 2011, under the title "At second look". He considers this exhibitions to be the most important and the most cherished moment in his hitherto career as a photographer. With it the author wants to show his idea of a woman as the most beautiful divine creature, the beauty of women, their desires, character and flaws, all in one. In purpose of presenting their characteristics as good as possible, author made an eort to get to know all of these girls well. He had long conversations and worked for a few months with each of them, in order to convey emotions that made the strongest impression on him, to you, viewers of those works, with help of surroundings and colours on their bodies. As he decided to limit his work on work with girls-next-door, girls without any modeling experience, completely regular girls, who accepted it all without any chances of material gain, the challenge was even greater. Exceptional eorts and talking about goals and desires, along with a short course in photography with those girls, brought the exhibition, in which a lot of work, energy and emotions were invested, before you, for your pleasure.

He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the SSS in Turkey. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.
